Items Discussed

Chair	Region	Issue	Action
Tricia Wellings	West Midlands	SEND Children and demonstration of what support offered. How will this align with concerns on off rolling?	Next meeting will focus on the SEND issues.
Sara McKenzie	South East	Interpretation of inspectors how does a child learning is inspected consistently.	Collate the answers to the questions into a piece of research with colleagues Kate Peach and David Wright.
Penny Akehurst	East Midlands	Interpretation of cultural capital and language targets.	Engage more with Local Authorities to raise the issues.
Neil Leitch	UK	Issue of childminders worried about the pilot where they felt inspectors were too hands off. Management of the Complaints procedure	Promote more OBC chairs using the EYA newsletter and communication channels.
Jo Verill	North East	Will people be brave away from documentation and what it will look like or do just in case.	Collate the answers to the questions into a piece of research.
Cheryl Hadland	South West	Reflected on the way inspectors will focus on documentation and the looser framework will allow more inconsistencies.	Discuss access to Ofsted inspection evaluation data with link Ofsted lead manager.
June O'Sullivan	London	Need more people to lead OBCs across the country. Better describe the Learning Walk.	Write a note to NW and Blog to encourage members to join us.

Action

Inspection Review: Seek to collect anonymous data on how was the inspection managed? What kind of insights and experience of the inspection can you share with us?

- Send
- Cultural capital
- Paperwork was it a focus of the inspection
- Consistency of Teaching

How can we collect complaints to see if changes occurring?

Can we have access to Ofsted inspection evaluation data?
